Have fun and don't ruin things for the rest of the Santas:

1. SANTA DOES NOT FUCK WITH KIDS

We are bad Santas not creepy Santas. Kids do not get adult toys, or booze, or messed with in any way. You can give kids regular toys and candy canes if their parents permit. If you are drunk off your ass, your best bet is to steer clear of children entirely.

2. SANTA DOES NOT FUCK WITH THE POLICE

Do not mouth off to cops. Do as they ask. If you want to get busted, do it when you and I are not dressed the same.

3. SANTA DOES NOT FUCK WITH STORE OR BAR SECURITY

Security people call cops. If they ask you to leave a store, get the hell out and be nice about it. Also, don't drink from your personal stash in bars, we buy drinks in bars.

4. SANTA DOES NOT FUCK WITH SANTA

Stuff that makes Santa mad... don't do it. If you get Santa mad unintentionally, be apologetic and explain that you didn't mean to offend them and won't do it again (and then DONT do it again!). Then offer to buy them a drink. That often solves many Santa vs. Santa problems. Remember... we're here to have fun!
